

Abie is a senior at Crisp Co. High School. She grew up in Albany, GA and currently lives in the Cordele area. She loves musical instruments, animals, and agriculture. She is active in The Skills USA and FFA club at school. She also shows livestock.

She enjoys pyrography and owns Metamorphosis Designs, a small business selling her wood burned items. After high school she is going to go to college to study behavioral therapy, to eventually be an ABA Therapist with specialization in Autism.

She loves to go on adventures and she is so excited to start her newest adventure at Empire as our Front Desk Manager! She looks forward to being a part of the Emily family!

You can look for her sweet smile at the front desk!
